The private agency deals in articles worth about 16,167 and gets commission on sales which comes to about Rs. 80 a month according to the statement furnished by the D. of C (Pencil). The question seems to be whether if we

File 221 of 21 kept below appears to show that a private agency may effect better orders by advancing credit to Customers &c. The Director's letter under disposal shows that the extra show room or storeroom required cannot be had at less than 100 Rs a month. Perhaps it is better on the whole to continue the old arrangement until the Comprehensive proposals of the Director are obtained which he says he has started to frame. Sale of Government Artware goods through private agency.

Q In their Order No.5750-1/I & C.221-21-2 dated 13th May 1922, Government approved of the proposal of the Director of Industries and Commerce to enter into an arrangement with Messrs. V. Manickvelu Mudaliar and Sons for the sale of the goods manufactured at the Government Art Workshop, on certain conditions, for a period of three months in the first instance. The Director was also required to send up a report to Government as to the result of the working of the proposed arrangement after three months.

2. Meantime, as a consequence of the recommendations of the Special Finance Committee in respect of the Government Museum and the Government

3. With reference to the above order of Government, the Director of
T & S Industries and Commerce has made a representation that the present system has not entailed any extra cost on Government and recommended its continuance until he is able to frame comprehensive proposals for dealing with all the articles manufactured in all the concerns of the Industries Department.

There is no room in the present building for keeping these articles which ~~area~~ were kept originally in a separate rented building at a cost of Rs 100/= per mensem. The present agency does not involve any extra cost to Government nor does it constitute them sole agents. The arrangement has enabled me to save some expenditure in rent and other expenses. It may be continued till I am able to frame comprehensive proposals for dealing with all the articles manufactured in all the concerns of the Department.

The Secretary to the Government of Mysore,

General Department,

Bangalore.

Sir,

I have the honour to forward a statement showing the value of goods supplied to the Lalita Stores for sale from the Art Workshops, the sales effected therein month to month and the sums paid to the Agents as Commmissions. It will be seen therefrom that it has cost us Rs 262/= to sell goods of the value of Rs 2,100/=, and if we had continue to keep it for sales departmentally, it would have cost us Rs 600 or Rs 7 by way of rent of the show rooms and other charges.

As stated in my letter No:OC.:541 of the 22nd August 1922, th is no room in the present premises of the Arts and Crafts Depot to ke these articles for which a separate rented building on a monthly rent of Rs 100/= was originally engaged. The present agency does not invol any extra cost to Government nor does it constitute them sole agent At present as far as possible the work undertaken is in respect of specific orders and so I have reduced as much as possible keeping articles made for stock. But as a large number was prepared in the for stock a place for storing is absolutely necessary. The arrangeme has enabled me to save expenditure in rent and other expenses. It may be continued till I am able to frame comprehensive proposals for dealin with all the articles manufactured in all concerns of the Department.

I have the honour to be,
Sir,
Your most obedient servant,

DIRECTOR.
